

SAFETY ADVISORY

BILY®-branded “RETRACTABLE SAFETY GATE MODELS # BG370018 & BG370200

BG370018

BG370200

On **January 13, 2020**, Elfe Juvenile Products of Montreal, Canada issued a safety advisory in Canada in conjunction with Health Canada concerning the Bily®-branded “Retractable Safety gates BG370018 & BG370200”. Further information pertaining to the advisory for Canada can be found on the Government of Canada’s website at <https://www.healthycanadians.gc.ca/recall-alert-rappel-avis/index-eng.php>.

The surface coating applied on the metal tube of the gates contains barium in excess of allowable limits.

In Canada, this safety advisory affects the **BILY®-branded Retractable Safety Gates** with the following date codes:

Item number	Manufacturing date
BG370018	2019/05/08
	2019/07/30
BG370200	2019/05/08
	2019/07/30
	2019/08/10

No incidents were reported in Canada.

In Canada, 26,108 BILY®-branded “Retractable Safety Gates” were sold between June and December 2019.

If you believe you have one of the BILY®-branded “Retractable Safety Gates” in your possession, please stop using the safety gate and contact Elfe Juvenile Products toll free at **1-800-667-8184**, or send an email to service@elfe.ca and provide your name, your complete address and a picture of the label showing the manufacturing date located at the bottom of the gate to receive a free repair kit.

Post until April 2020
