

# Safety Recall

## PRODUCTS CURRENTLY OFFERED FOR SALE AT THIS RETAILER ARE NOT SUBJECT TO THIS RECALL.

### Free Remedy Kit for Cybex® Aton 2 infant car seats manufactured between March 8, 2019 and November 1, 2020

CYBEX and Columbus Trading-Partners U.S., Inc, the U.S. distributor for CYBEX (collectively “CYBEX”) have decided that certain Aton 2 infant car seats fail to conform to *Motor Vehicle Restraint Systems and Booster Seats Safety Regulations, Section 310(b) - Webbing*.

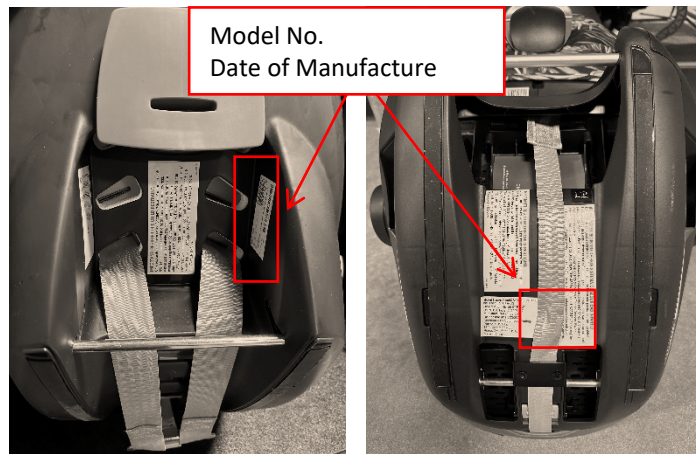

The front harness adjustment strap used to snugly adjust the shoulder harness straps onto the infant may fray or wear, which can reduce the strength of the front harness adjustment strap. A front harness adjustment strap with insufficient strength may not properly restrain the occupant, increasing the risk of injury in a crash.

As part of this recall, Cybex is providing owners of affected Aton 2 infant car seats (see table below) a remedy kit, free of charge, that includes a replacement harness adjuster strap assembly and installation instructions for owners. The repair should take 5 minutes. CYBEX urges you to replace the webbing strap assembly currently on your infant car seat with the one provided in the kit, as soon as possible.

The remedy kit is only needed for Aon 2 infant car seats listed in the table below and manufactured **between March 8, 2019 and November 1, 2020**. The model number and date of manufacture are located on the bottom of the seat base.

Consumers who own an affected infant car seat that is not registered should register for a free remedy kit by calling, 1-877-242-5676 from 8 AM – 5 PM ET, Monday through Friday or by visiting <https://www.cybex-online.com/en/ca/safety-notice-recalls-infant-car-seat-webbing.html>. CYBEX will send a remedy kit to currently registered consumers automatically, on or about March 13, 2023. For owners and purchasers who incurred costs for remedies for replacing the recalled webbing in advance of March 14, 2023, please contact CYBEX customer service at 1-877-242-5676. Please consult your product’s Warranty for additional information.
